

HD Black Box Dash Camera for Commercial Fleets

ASL1080-LCA

ASL1080-LCA

The ASL1080-LCA records exactly what happened before, during and after an incident on the road. It does this by recording the following information: Drivers view of the road, vehicle location, impact force of accident, audio and driving style (speed, acceleration, braking and steering.) Exonerating drivers from false claims.

COMMERCIAL GRADE
