

Sign 6"

Fully functional, ready-to-use electronic paper device perfect for indoor implementations.

Effortlessly installable, it requires no cabling and can be easily attached to any surface. The quickest way from an idea to a finished product.

Designed for use in digital signage, ranging from museums and hotels to offices and restaurants.

SIMPLE

Completely cable-free.
Can be installed in minutes
anywhere by anyone.

ENERGY-EFFICIENT

Up to several months of
battery life. Place, play
and forget.

VERSATILE

Designed for indoor use
with any web-based content
management system.

ECO-FRIENDLY

Sustainable materials
and energy-efficient
production process.

ALL-IN-ONE

Package includes display,
player and mount for a no
fuss, no-hassle experience.

ELEGANT

Refined, timeless with a
minimalistic design for a
seamless look and feel.
