

place
& play

Place & Play 6"

Cordless, sustainable, effortless. Place & Play is the future.

Place & Play is a brand line of electronic paper displays with a cloud-based content and management service from Visionect, the world's premier designer and developer of B2B electronic paper solutions.

Deployed without any wires or cable-laying installation, Place & Play displays are 99% more power-efficient than LCD, running for up to several months on a single battery charge thanks to a decade of optimization, saving thousands in energy bills.

Place & Play 6" is a next generation, ultra-low-power e-paper touch screen display. The most sustainable digital information design available.

SIMPLE

Completely cable-free.
Can be installed in minutes
anywhere by anyone.

ENERGY-EFFICIENT

Up to several months of
battery life. Place, play
and forget.

VERSATILE

Designed for indoor use
with any web-based content
management system.

ECO-FRIENDLY

Sustainable materials and
energy-efficient production
process.

ALL-IN-ONE

Package includes display,
player and mount for a no
fuss, no-hassle experience.

ELEGANT

Refined, timeless with a
minimalistic design for a
seamless look and feel.

Technical information

SOFTWARE & LICENSE

- Universal web CMS support. Easily display any web link, allowing for compatibility with all major content management systems
- Improved screen content performance and intelligent screen updates
- One-stop device management. Upload images, edit device settings, access analytics, and more
- A license is needed for every device
- One month of free cloud license is included with every device purchased

DISPLAY

- 6-inch (4:3 diagonal) interactive touch E Ink® electronic paper screen
- Full capacitive touch screen interface
- Portrait view
- High visibility and contrast (surface treatment: anti-glare hard-coated front-surface)
- 180° viewing angle
- Resolution: 1024 × 758 pixels
- Active Area (H/W): 3.57 × 4.82 in (90.581 × 122.368 mm)
- Pixel Pitch (H/W): 0.005 × 0.005 in (0.1195 × 0.1195 mm); equivalent to 212 ppi
- Pixel Configuration: Square
- 16 level grayscale
- Refresh rate: 750 ms (4 bit full screen) – 100 ms (1 bit partial)
- Front light

CONNECTIVITY

- 2.4/5 GHz Wi-Fi (IEEE 802.11 a/b/g/n) standard, WPA2-PSK, WPA3 Personal,
- WPA2 Enterprise support
- 2.4 GHz Bluetooth 5 support

POWER

- Patented ultra low energy architecture, only 1% of the power used by LCD.
- High performance rechargeable Lithium-Polymer 5,400 mAh battery, 3.46 oz (98 g). Up to several months of autonomy on a single battery charge. 5–7 hours charging time with a USB-C charger (output rating of 5 V, 1 A).
- Enclosed USB-C charging cable
- Cordless functionality
- PoE compatible

CASING

- High quality anodized aluminum casing
- Anti-reflective, high transmissive glass
- Color: Black, Gray

DIMENSIONS & WEIGHT

- Height: 5.63 in (142.9 mm)
- Width: 4.10 in (104.2 mm)
- Depth: 0.44 in (11.3 mm)
- Weight: 11.36 oz (322 g)

MOUNTING

- Attachable to any surface with a self-adhesive Smart Magnetic Mount for Place & Play 6 that requires no tools.
- Compatible with a PoE Wall Mount available for purchase.
- Device can be mounted at a maximum height of 2 meters.

Assured Systems

Assured Systems is a leading technology company with over 1,500 regular clients in 80 countries, deploying over 85,000 systems to a diverse customer base in 12 years of business. We offer high-quality and innovative rugged computing, display, networking and data collection solutions to the embedded, industrial, and digital-out-of-home market sectors.
