

## **VISUAL FEAST**

AR Effects in the Dark

Using LG Transparent OLED signage, you can surprise viewers with AR effects in the dark. The content displayed seems life-like, adding another "wow" factor to the viewing experience.

## **PRODUCT DURABILITY**

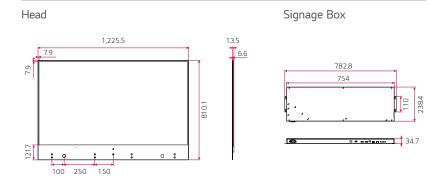

Robust Design for Safety

The tempered front glass protects the screen from external impact, and its verified safety design means it is reliable enough to endure shock and vibration caused by the surrounding environment, such as moving trains.
